**All in aid of...** Willen Hospice (registered charity no. 270194) which provides specialist care for people whose illness no longer responds to curative treatment.

We simply could not do it without you, your generosity funds our care.

We could not provide our expert care without the support of you, our wonderful community. Though all kinds of fundraising activities you raise millions of pounds to fill the gap left by under funding.

In 2023/24 the cost of providing our expert care and support for local people was £10.1 million pounds. That's around £28,000 for every single day to ensure we're always there for those who need us.

A heartfelt thank you to you all.
